

## To Those I Love

If I should ever leave you whom I love  
To go along the silent way,  
Grieve not,  
Nor speak of me with tears,  
But laugh and talk of me as if I were beside you there.

(I'd come – I'd come, could I but find a way!  
But would not tears and grief be barriers?)  
And when you hear a song  
Or see a bird I loved,  
Please do not let the thought of me be sad  
For I am loving you just as I always have  
You were so good to me!

There are so many things I wanted still to do  
So many things to say to you  
Remember that I did not fear  
It was just leaving you that was so hard to face  
We cannot see beyond  
But this I know;  
I love you so  
'twas heaven here with you!
