Precept Bible studies, written by Kay Arthur, use an inductive method that involves observation of the text, interpretation (using cross-references and historical information), and life application. Personal preparation involves five days of homework each week. When we gather, we spend time in teaching and discussion, followed by time in small group sharing and prayer, followed by an optional video presentation by Kay Arthur. For more information contact, Joan Sawyer at [joansawyer@yahoo.com](mailto:joansawyer@yahoo.com) or 719-963-4146.

### Women's Life: Learn Over Lunch

Thursdays, 11:45 a.m. – 1 p.m. Bring lunch

September 12 – November 21

Fill your cup with a compact, community-oriented lunch hour for busy women. We'll study *An Unexplainable Life* by Erica Wiggenhorn, which focuses on Acts 1–12. Most of us live a shadow of the life we're called to live. More than any other book in the Bible, Acts shows us what life can be when lived in the power of God. This is an in-depth study meant to reignite a movement of the Holy Spirit in us individually and collectively. Life is busy. Bible Study doesn't have to feel the same. Register at [firstprescos.org/women](http://firstprescos.org/women).

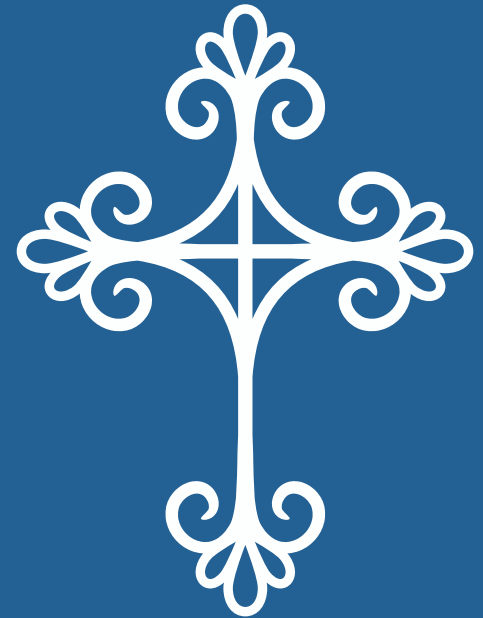

CHILDCARE is available for WOW!, Precept and MOPS at our downtown campus. Register your child in advance at [firstprescos.org/nursery](http://firstprescos.org/nursery).

Thanksgiving Brunch: November 19, 2019

Topic of Study: *An Unexplainable Life* by Erica Wiggernhorn  
*An Unexplainable Life* is an in-depth, life-changing study based on Acts 1-12. The reality of Jesus' mission in His Church and in the world became apparent as Peter was radically transformed from a timid, fearful man to a courageous follower of Jesus. The change was unexplainable; a work of God in Peter so apparent that those around him knew that he had been with Jesus! How might our worry, anxiety, unrest and discontent be replaced by the reality of the Prince of Peace ruling in our hearts and minds? We explore what God might do in and through us in this study of Acts.

Winter Session: January 14 – April 28, 2020

Spring Brunch: May 5, 2020

Winter Topic of Study: *The Unexplainable Church* by Erica Wiggernhorn

*The Unexplainable Church*, the in-depth study based on Acts 13–28, is the story of ordinary believers transformed by God. Paul and Barnabas accepted the divine invitation to the grand adventure that resulted in the fellowship of believers called The Church. God's plan is to use the Church to astonish the world with His love and grace!

The power of the Gospel cannot be stopped, diluted or quieted by any attack, scheme or deception of the enemy. The power of the Gospel changed the known world through the early church. God is still using His people to take that Gospel to our family, friends and communities. The truths and challenges in Acts can charge our lives and the Church with fresh vitality today!
